Term 4, Week 4

Monday, 4th November 2019

Dear Parents/Carers,

There is so much excitement in the Infants this week as they get ready for their excursion to Canberra. The National Zoo and Cockington Green are great places to visit and I just know that everyone will have a fun time as always.

I would like to say a special thank you to all of our teachers for the extra work they do to make these excursions possible for our students. It takes hours of phone calls, paperwork and attention to detail to ensure that children are housed, fed, entertained and safe when they go away. Added to that, they leave their families and personal responsibilities for a number of days to take your children away. There is no extra time off in lieu, no extra pay and certainly a lot less sleep which they do because of their dedication to giving our children great experiences. I'm sure that many of you have thanked them already and I just wanted to, also.

We are getting closer to our annual Spring Bounce. This is a wonderful fundraiser for the school and the P&C are working very hard to get it organised. If you can spare an hour on the night, please let us know. The more people who help the greater the success of the night. Thanks to our small band of tireless workers on the P&C. We appreciate your efforts! Tickets are now available through the Schools Flexi-app (Canteen Portal) and will be available for purchase through the office shortly. We are getting the grass green, the bindies are dead (I hope) and the bouncing castles are booked. Come and share a fun night and support our school.

Enjoy your week!

Regards,

Catherine Briggs
