Term 4, Week 6

Monday, 18th November 2019

Dear Parents/Carers,

Welcome to Wellbeing Week! No homework, no meetings and lots of fun activities. This term's Wellbeing Week is run by the staff in the Infants and it will not disappoint. This is such an exciting chance to have some fun and rebuild everyone's energy levels for the run to the end of the year. Don't forget, Wednesday will be mufti for all students.

Thanks everyone for your support of our Spring Bounce on Friday night! It was a lovely night and luckily, the weather held out without too much wind. The smiles on the children's faces were wonderful to see and I would like to thank the P&C and teachers for their hard work to get this important event happening for us again this year. The funds raised from the event make a big difference to our school by allowing us extra budget for special purchases.

Please add 9<sup>th</sup> and 10<sup>th</sup> December to your calendars. The 9<sup>th</sup> is our Special Awards Assembly to be held under the COLA in the Primary where some of our class and sporting awards are presented. On Tuesday 10<sup>th</sup> December at 6pm we will hold our Annual Presentation Night at the Cowra Civic Centre. This is a busy time of year for us all so please note these important events on your calendar so you don't miss them. Details will follow shortly.

It is my great pleasure to congratulate Mrs Jackie Beale for being selected to take the role of our Assistant Principal Wellbeing in 2020. This is an important role that will support students, staff

and families. Mrs Beale has been working in this area all of this year and is responsible for the positive behaviour lessons and signage you see around the school, as well as a range of other measures designed to support our school community. She will do a wonderful job in the role.

We have also completed our staffing for teachers in 2020. This was done through an expression of interest process where teachers applied for positions they were interested in. We had a large number of expressions of interest and teachers were chosen on merit. We are pleased that the following teachers will join the team in 2020: Mr Ryan (Sport), Mrs Grainger and Mrs Wilson (Learning & Support), Mrs Apps, Mrs Wright, Mrs Keefe, Mrs Montgomery, Mrs James, Mrs Knights and Mrs Frost will all join us as classroom teachers. We are working on setting up classes and are hoping to give you details about your child's class and teacher well before the end of the year to ease concern over the holidays. Congratulations to each of these amazing teachers and we look forward to working together in 2020.

Enjoy your week!

Regards,

Catherine Briggs
