Term 3, Week 3
Monday 5th August 2019

Dear Parents/Carers,

This week marks the celebration of the 75th Anniversary of the Cowra Breakout. We have been completing activities in class around this local historic event and have created paper cranes and lanterns for the ceremonies. Thank you to those families who participated in the march to the POW Camp on Sunday afternoon. Also, to those staff who gave up their Sunday afternoon to assist. There will be a number of official events this morning including a wreath laying at the War Cemetery. A special thank you to Mrs Ryan who was the schools coordinator for the event. She has worked very hard to pull things together and we are very appreciative.

This week is also Education Week. This is our annual opportunity to celebrate Public Education and all that it offers to our children. We are so lucky to have a system that offers free, high quality education to every child. The theme for this year is Every Child. Every Voice. This theme reflects the Department of Education's promise that every student is known and valued as an individual. We will celebrate the week with an assembly for students K-6 on Monday. Awards will be presented to two students in each class and there will be a musical presentation from Infants and Primary students as well as a video kindly put together by Mrs Bryant

showcasing our STEM Program.

On Thursday we will host parents and families for an opportunity to visit their child's classrooms at 12:30pm. This will be followed by our SRC Minifair. Each class has been working hard to prepare for the fair, excitedly ready to run their stalls. This is the major SRC fundraiser for the year, so please come along, have some fun and help them raise funds to support their school.

Enjoy your week!

Regards,

Catherine Briggs
