Term 3, Week 6

Monday 26th August 2019

Dear Parents/Carers,

This week is Wellbeing Week at Mulyan. That means no homework for students and a range of activities for staff and students. There will be the ever popular LETS Dance session for Infants on Tuesday and Primary on Thursday in the VTS. Staff will be undertaking a fun teams' training event at the Ex Services Club on Tuesday afternoon and be treated to massages from Two Hands Massage on Monday and Tuesday afternoons. Wednesday will be Footy Fan Day so make sure you break out your team colours for the day. Friday will be Crazy Hair Oay so I can't wait to see what creations kids can come up with. Thank you to our Year 3 and 4 teachers for treating us all this term to a fun and positive week!

This week is also SASS Appreciation Week. Our SASS Staff are made up of the ladies in the office, our Learning Support Officers in the classrooms working with children, our cleaners and our ever patient Handyman crew who put up with my constant new ideas. Without this crowd of amazing and skilled people, our school would not run, and I would like to pass on my personal thanks for their untiring efforts. If you happen to be in and around the school this week, please just take time to thank them for their hard work. They do a wonderful job of making this a safe and nurturing environment for our children.

Finally, congratulations to our students who competed at District Athletics in Grenfell on Friday. I don't have any results as yet but I have no doubts

that they competed to the best of their ability and made us proud to be Mulligrubbers.

Enjoy your week!

Regards,

Catherine Briggs

Recycled Art for Cowra Award reminder

The theme for this years recyclable art is "Transportation from A - Z."

There are some great prizes up for grabs from \$50 to \$100.

Entries will be accepted at the Aquatic Centre on Friday 6th September between 11am and 3pm, and on Monday 9th and Tuesday 10th September between 1 and 5pm.

For more information, please collect a flyer from the School Office foyer.

Peer Support

Last week, we discussed the skills needed when communicating our feelings and needs to others. When children understand they already have many of the skills needed to succeed, they feel more confident when trying something new.

The students were asked to identify events which trigger different feelings.

Another week of great team work and co-operation and leading by our Year 6 Peer Support leaders

CANTEEN NEWS

In order to keep our canteen ticking and "Breakfast with Trish" running, the canteen is asking for donations of the following:

Long life Juice
Vegimete/Jam
Margarine
Bread
Milo

If anyone has a four slice toaster not being used, our breakfast club would really appreciate it. Thanks to Anne for her kind donation of one.
