Term 2 Week 2

WEEKLY FOCUS: We wear our uniform proudly

MULYAN NEWS

Dear Parents, Carers and families,

Welcome back to Term 2. I'm not quite sure where Term 1 went but it was so fast.

Traditionally Term 2 is a time of winter sports including our PSSA Sports knock out competitions. This allows many of our students to compete against other schools in a range of sports and demonstrate their wonderful sportsmanship and team spirit. We wish them all well. If you are having trouble getting your child to a sport please contact the office and I am sure we can assist. We'd hate for them to miss out. Talking of sports, I would like to extend our congratulations to all of those students who have been selected in Western Region teams so far including our two dancers Kate and Emily who were selected for the State Dance Ensemble.

Don't forget to join us for our Mother's Day celebrations this week. The P&C have organised a stall where gifts can be purchased by students for Thursday morning and Friday. At \$6 a gift this is great value and allows children to feel the excitement of choosing a gift for those they love and paying for it. The annual Mother's Day concert will be held on Friday and I can't wait to see the performances of our youngest students on stage. This is always a wonderful occasion and I hope you can join us for it.

Teachers started this term with 2 days of training on recognising and supporting our students who have high potential in the areas of sport,

academics, social skills and creative arts. It was a wonderful opportunity to take a look at the individual students in our classes and reflect on their skills and abilities. We also then reflected on how we might best support those students to pursue developing their skill and abilities should they choose to do so. We will continue to work on these plans over the next few weeks in our staff meetings and publish our plan to our community. Your feedback is always so helpful when we are considering how we do things and where to next so please feel free to send us an email or participate in the survey that will come out shortly.

Speaking of opportunities, we had seven students sit for a place in our Selective online school, Aurora last week. This is done online outside school and can be very daunting for young people. We wished them all the best last week and can't wait to see their results.

Extension work is a part of everyday teaching and learning activities within our classrooms for those students who require it. Our training also threw a focus on how we do this to allow all students to achieve their academic potential.

As always, I would like to thank our families for their support throughout last term. We look forward to working with you again this term and please don't hesitate to ring if you have concerns or ideas to make this place even better.

Kind regards,

Cath Briggs // Principal

April

STAR OF THE MONTH

Connor Milburn

Connor is a valued member of 1G.

Academically, Connor consistently demonstrates a strong work ethic and a thirst for knowledge. He eagerly participates in class discussions, asks insightful questions, and takes on challenges with determination and perseverance. His curiosity knows no bounds, and he is always eager to explore new concepts and ideas.

One of Connor's most admirable qualities is the genuine kindness and compassion he shows towards others. For a 6 year old he demonstrates amazing empathy. He is a very protective and loyal friend to his classmates.

Connor has a big group of friends and is always willing to include others and make his circle of friends even wider. Connor also has a very welcoming personality and he is sensitive to the needs of others. If someone is upset or needs help Connor is the first one there to lend assistance and cheer them up. He goes out of his way to include classmates in activities, offer help to those in need, and always has a kind word to share.

*I am so proud to present the April Star of the Month to
Connor Milburn.*

**LEST WE
FORGET**

Lest We Forget

Thank you to everyone who joined us to commemorate ANZAC Day this morning. Our School Leaders did us proud as always and it was very special to be joined by students and staff in the March through town.

Do you know a Young Carer?

Young Carers are under 25, and look after a family member who has a medical condition, a disability or a mental health condition.

Young Carers can get support through the Young Carers Support Program.

Supports include:

- Help with Educational Resources
- After School Activities
- Social Activities
- Camps
- Counselling

**The Young Carer Program is
FREE to access.**

If you are a young carer yourself, or you know a young carer, call **1800 422 737** for further information or to register.

**Carer
Gateway**

Are you one of Australia's 2.7 million unpaid carers?

Carer Gateway is an Australian Government initiative that aims to make your life a bit easier, with free access to practical advice and support for carers.

Am I a Carer? A carer is someone of any age who looks after a family member or friend with a disability, a medical condition, mental illness or is frail due to age.
