Term 3, Week 4
Monday 12th August 2019

Dear Parents/Carers,

Thank you so much for making last week such a success! Our Education Week assembly was well attended and it was a lovely chance to celebrate those students in each class who give their best every day. Congratulations to our award winners. They are valued and heard even if they are not the loudest members in the class.

The SRC Minifair was blessed with sunshine, even if it was cold. Thank you to our families for supporting the day and making it such a huge success. As you may know, all funds raised on the day will go to support the Hazelton family as they spend their time in Sydney supporting Makenzie. It is so wonderful to see our community rally behind this family in their time of need. It is something I know that they appreciate! There are a number of Cowra wide community events happening to support the Hazeltons and I know that people will contribute to those as well. We are working on some more fundraisers for the future so we will let you know when they are organised. It will be a long haul for Makenzie and her family as she receives treatment, and I know that the support of our school and community will make that journey easier.

This week we have PSSA Touch Football, PSSA Netball, Infants Cross Country and Peer Support happening across the week. There will also be a 'Stronger Friendships' Day happening on Thursday for Years 3 & 4 focussing on anti-bullying, cyber safety and a range of social issues. Parents are welcome to join the session so they can become more informed.

Kinder Orientation Visits kick off this week. We would hate for anyone to miss out so if you know of anyone who has still not enrolled their child for Kinder 2020, please encourage them to come along and join in as our team introduce the children to the wonder of 'big school'. Details of all of our events can be found on our school app or by ringing our office.

Enjoy your week!

Regards,

Catherine Briggs
